Albatross
Preview Jefferson Pitcher
Save on Spotify

Jefferson Pitcher's "Albatross" envelops listeners in a shadowy soundscape, where somber tones and layered textures evoke a sense of communal introspection. As the composition unfolds, it ascends into a luminous crescendo, symbolizing a collective emergence from darkness into shared understanding.

Toonami
Preview Balik Alistane

Balik Alistane's "Toonami" is a cosmic collision of lo-fi nostalgia and glitchy futurism, channeling the pulse of late-night anime marathons into a sonic dreamscape. With its fractured beats and shimmering synths, the track feels like surfing neon waves through a digital galaxy—unpredictable, hypnotic, and impossible to pause.

Falling Apart
Preview Undergone

Undergone's "Falling Apart" is a sonic descent into a dream turned nightmare, where ambient textures collide with raw, unfiltered energy. The track masterfully balances chaos and control, leading listeners through a labyrinth of complex harmonies and heavy riffs that culminate in a cathartic release.
